

Annual Club Lunch 19th October 2014

Well that is it, our first Annual Lunch after so many years of an annual dinner, overall it seems to have been a real success, if just a little light on numbers. The staff at The Wivenhoe House Hotel looked after us with great efficiency and curtesy, the meal was, I am told by most, very good if just a little light on imagination with the menu, I will take the blame for that, anyone who in the past has experienced my lack of culinary skills and imagination, will not be at all surprised.

The tables looked a treat and were set off by Pinkie's excellent menu cards and table name displays. Also thanks to our Pinkie, displays of Club photographs backed by music were shown on two large monitors within the dining area.

After the meal a little surprise was sprung, in that we had invited a young lady singer, Beth Green, to entertain us. Beth has a wonderful voice and sang a number of songs from popular opera arias to tunes from musicals, some of which brought a tear to the eye of a very appreciative audience.

This year's Lunch is now a relic of 2014 and we can now look forward to next year and maybe a change of venue and imaginative menu ideas. Although it seems a long way away, time soon catches up and all these events need to be booked and organised at least six months in advance, so don't be shy, get involved and let's have your ideas and help. Bob will be very happy to coordinate any suggestions and bring them up for discussion at the first meeting of 2015, which of course will be in March, six months before the next Lunch..
